Push to Talk Holiday Issue

HT, MC, HNY

H a p p y Thanksgiving,, Merry Christmas and Happy New Year.

Yup. It's that time of the year when we spend more time with our family's than we have throughout the year.

At this writing, Thanksgiving is just a few days away. That signals time to deck the halls and hit the malls. I know in my home, decking the halls is nearly finished.

Christmas cards

must be mailed by the first or second week in December and packages must be mailed by the first week in order to arrive before Christmas.

We know that for many the holidays will be a little thin this year. But that doesn't mean that we can't enjoy the one thing that these holidays are all about. Our familys!

So, from our family to yours have a very Happy Thanksgiving,

a very Merry Christmas and a safe and sane Happy New Year.

If you're planning to party this year, remember, NO Drinking and Driving.

If you're traveling this year, be safe out there. Lots of other forlks are planning trips too.

“See ya next year.”

New Officers & Directors take office

On December 3rd, 2011 the newly elected Officers and Directors elected in the IEARC election of November will be installed and will take the reins of power January 1st of 2012.

Your new President is Don Bower AG6HQ formerly KJ6KQE, Vice President: Tim Geary KJ6HSX, Secretary: John Yocum K6JGY and your new Treasurer is David Becar KI6OSS. Your new directors are Howard Kagebine KB6UGS filling the one year directors position, Chuck Sweeten AI6I filling his two year position and David DeGroff WA6DF fills

the new three year position.

This leadership group will oversee the reorganization of the Club's Constitution and Bylaws and will recommend the 2012 agenda.

President Elect Don Bower AG6HQ announced that the next Radio Day will be February 4th. Our meeting will be held in a yet to be announced park in the local area.

Don AG6HQ and Dave DeGroff WA6DF were at the Chino Hills Swap Meet this week helping Doug, KE6UUC and Karen

Burkard, and Laura Ellison KJ6IAS man a booth.

IEARC has been manning a booth here for the last couple of months. We spoke with many area hams and we may have found one or two potentially new members in that group.

Also there were Alex Tinsley, who was selling some audio equipment and Donnie Crews who stopped by the booth to say hi.

There's a lot on the 2012 Agenda.

So Stick around!

Letters to the Editor

From the Editor:

At this time of the year we look forward to forward to a long weekend, getting together with family and enjoying that great Thanks-giving dinner.

On behalf of the Officers, Members and all of their family's we wish you and yours the very best of holiday seasons.

Remember that there is no Thursday night net on Thanks-giving day. The next Thursday night net will be December 2nd. Dave WA6DF will be net control.

Have a fantastic holiday!

73, Dave WA6DF

From the Membership Chairman:

I'd like to take the opportunity to remind everyone that your 2012 club membership is due January 1st of 2012. Please take a minute to download a membership application from the club website (www.w6ier.org). Complete the application and send it to me or to the club's PO Box. Please be sure to include your check for your fee. Any donations to help the club operate the repeater are welcome.

We thank you for your prompt attention to this matter.

We wish you and your family a very Happy Thanksgiving and a soft holiday season.

73,
Doug KE6UUC
