

QST, QST, QST,

This is the Thursday Evening Net for the Inland  
Empire Amateur Radio Club

Hope you all had a marvelous holiday!

*This net is held every Thursday evening at 1930 hrs,  
except for holidays.*

We ask that a clear frequency be given for the  
duration of this net.

# Opening

*Inland Empire Amateur Radio Club  
Thursday Night Net*

My name is Dave, WA6DF in Chino, CA and I'll be your net control operator for this evening.

If you have a question or a comment during this net, ask for a break and wait to be recognized by net control.

The purpose of this net is to pass along information about the Inland Empire Amateur Radio Club and any other information or bulletins having to do with amateur radio.

Checking into this net will assure that your radio equipment is working properly.
